CG 602 Technical Date Sheet

1. Chemical Composition

Chemical Name: Tolytriazole, TTA

CAS #: 29385-43-1

2. Product Description

CG 602, tolytriazole, is a heterocyclic chemical. It is a mixture of 4-, 5-, 6-, and 7-methyl-1H-benzotriazole. It is a fused ring structure with a toluene ring fused to a triazole ring, with both rings being aromatic. Tolytriazole, its inorganic salts, and its derivatives, are widely used as corrosion inhibitors, mainly for copper and its alloys, in many industries, such as water treatment and lubricants. Tolytriazole can also be used as a chemical intermediate to synthesize many products with significant applications.

3. Applications

- Chemical Intermediate for multiple industries.
- Corrosion inhibitor for copper and brass.
- Rust preventative.
- Antioxidant.
- Emulsifier.
- Antifogging agent.
- UV resistant agent.
- Used in water treatment, antifreeze fluids, and lubricants.

4. Typical Chemical and Physical Properties

Property	Results
Appearance	White to off-white solid
Purity	99.5
Water content, % wt	0.05
Melting Point, °C	85
Ash, % wt	0.05
pH	5.5

5. Packaging

25 kg / bag

6. Handling and Storage

Recommended handling temperature: Ambient temperature preferred.

Storage: the product is recommended to be stored in cool and dry areas. Direct sunlight should be avoided. Ambient temperature is highly recommended for long-term storage.

Note: The information presented in this data sheet is based on the best of our knowledge and experience, and is given in good faith. Although all information is believed to be accurate and reliable, it is presented without guarantee, warranty, or responsibility of any kind, expressed or implied. Each user should take their own investigations and tests for the suitability and performance to use this product for a specific purpose. The user of this product should be responsible to ensure that existing proprietary rights, laws, and regulations are observed. ChemGulf LLC will not be responsible or liable for any damages resulting from the use of this product or the information contained herein. All statements and information made in this data sheet are subject to change without notice.
